9th June 2016

Dear Parent/Carer

Your daughter has been invited to visit the Laing O'Rourke Explore Industrial Park at Steetley on Thursday 14 July, 2.30pm – 4.30pm.

Laing O'Rourke fund, design, manufacture, construct and maintain the built environment. They work on some of the UK's most well-known construction projects: Manchester City's Etihad Stadium extension; Heathrow Terminal 5; and Alder Hey Children's Hospital. In many cases, the component parts for these big projects are designed and made right here in Worksop.

Laing O'Rourke are keen to show girls the range of different jobs they have to offer. They have a range of apprenticeships, school-leaver programmes and graduate schemes leading to well-paid and varied jobs. Many of the jobs depend on good STEM (science, technology, engineering and maths) ability. This is a great opportunity for students to see some jobs that they might not have considered before, as well as finding out about jobs that might be available when they leave school, college or university.

2.30pm

Travel by academy minibus to Laing O'Rourke.

2.45 – 4.15pm

Tour of the site.

Chance to find out what Laing O'Rourke does, hear from current employees, have a look round the site and find out about different jobs.

4.30pm

Return to the academy.

Spaces on the minibus are limited, so please return the reply slip below to student reception as soon as possible (and by **Thursday 23rd June**, at the latest) so numbers can be confirmed with the CareersInc Advisers. Please also ask your child to collect a pink Parental Consent Form at the time they hand in the reply slip below.

Yours faithfully

Mr Conyers
Assistant Principal

Reply slip – Laing O'Rourke Explore Industrial Park – please return to student reception.

Student name _____ VMG _____

- I give permission for my child to visit Laing O'Rourke on Thursday 14th July 2016.
