27th May 2021

Dear Parent/Carer

It is the last full day in the Academy tomorrow, Friday 28th May 2021 for many of our Year 11 students. All students will leave the Academy at the slightly earlier time of 1.30pm. Transport home has been arranged for students that would normally catch a school bus.

If your son/daughter has opted to attend our Post-16 Centre in September, more information will be communicated regarding the Transition Package that will be offered to students.

I would like to take this opportunity to wish your son/daughter every success with their future education and career paths.

Yours faithfully

Principal
Mr G Dzoboku
