21st February 2024

Dear Parent/Carer,

25th February Maths Revision Session

The GCSE exam period is upon us! In the summer there will be two maths papers on a Monday. This is not ideal as we won't get a chance to do revision the day before. With this in mind we will be holding a revision session on both Sundays before the exams.

Mocks are so important because they prepare students for the real exams in every way. To ensure that this experience is as similar to the Summer as possible I would like to offer students a bespoke revision session on Sunday 25th February. This session will practice important exam skills and go over key topics in preparation for the Paper 2 mock exam the next day.

Please refer to the table below for more information
