Dear Parent/Carer,

Revision Festival 'What's next for Y11?'
A revision and information evening for Y11 students and parents/carers

We would like to invite you and your child to an amazing event on **Tuesday 27th September, 5:00pm until 7:00pm.**

Revision Festival - What's next for Y11? is a one stop shop for all the information your child will need to get the best out of the coming months before their exams and beyond. Each subject area within school will be present and will demonstrate various revision techniques and resources that will benefit your child within their subject. There will be talks on how to help your child revise and plan for the future as well as key information on careers and apprenticeship opportunities.

This event will help you to support your child over this very important school year and ensure they are prepared for life before, during and after Year 11.

We are really looking forward to welcoming you and your child and are excited for the opportunity to help your families in any way possible during this important time.

Please click on the attached link to complete a Google Form indicating your attendance.

When you arrive at the academy please enter through the Sparken Hill entrance and across the bridge to the main hall.

We look forward to seeing you there!

Yours faithfully,

Miss Cooper
Assistant Principal
