Uniform Expectations

It is important for the school and pupils that the way pupils present themselves is positive and acceptable and is in keeping with a disciplined and well-ordered establishment. It is expected that all pupils will come to school every day in a neat, clean uniform, demonstrating that our pupils take pride in belonging to their school. The support of families is essential to this process.

A smart uniform improves discipline, self-esteem and self-respect. Uniform focuses attention upon learning and away from distractions. So that all pupils have a sense of pride in their appearance, we ask that the uniform is worn appropriately and in its entirety as described below.

Pupils arriving to school in incorrect uniform will be supported to rectify this by loaning items of uniform from the school. This must be done before 8.15am via our student reception. Parents will be informed that this has taken place so they can assist with ensuring the correct uniform is worn in future. On occasions, where medical conditions are evidenced to the school, reasonable adjustments may be made, and should parents require support in sourcing uniform items, please advise the relevant learning manager.

Required Uniform

- School or plain white, long or short sleeved, shirt with a stiff collar
- School trousers, skirt or tunic dress - black

- Consequences can/will be issued for any uniform misdemeanour

Ties

Ties must not be defaced with writing or by pulling threads. Pupils will be asked to buy a new tie if they are damaged in this way.

Tights

Tights must be plain black, opaque (not patterned) and a minimum of 40 denier. Nothing else should be worn on top or under the tights such as additional socks.

School Shoes

School shoes must be plain black polishable shoes, with no bows, embellishments, or designer emblems.

Outdoor coats

Outdoor coats should be fit for purpose and have no large logos. Please note that hoodies, fur, denim and studded leather jackets are not allowed. We also recommend that children who walk, scoot or cycle to school wear an item with high visibility, particularly in the darker winter months.

If students wish to have their ears pierced, or any other piercing (including tongue,) this should be done at the start of the summer holiday, no student will be allowed to wear earrings (or tongue piercings) or any other jewellery at any time.

Noticeable make-up is not allowed, any make-up must be discreet. The decision as to what qualifies as discreet rests with the Principal and Executive Principal of the individual school. False eyelashes are not to be worn.

Hair

Hairstyles and colour should be sensible and not cause distraction. Please check with your child's learning manager before considering any dramatic changes to style or colour. No offensive patterns should be shaved into hairstyles. No scarves or bandanas are allowed (unless for religious reasons). Hair accessories can only be worn in the hair and must be black or school purple.

Religious Dress

We recognise that some students may wish to wear distinctive garments for religious reasons. However, the school reserves the right to determine the religious garments and symbols that will be allowed after consultation with the representatives of parents/carers and local leaders of the relevant religious groups. No dress will be allowed that covers any part of the face from forehead to chin in the interests of safety. It is vital that the school staff have full visibility of students' faces and can recognise at all times who is in school. Should parents/carers require their child to wear a specifically religious garment or symbol, they should contact the school who, after consultation, will contact the parent/carer with a decision.

Current guidelines permit the following:

- Religious head covering may be worn but must be plain, as well as of an agreed colour to be fixed upon by the school. In most cases, the standard colour would include black, purple or white, although exceptions may be made in consultation with the school. In addition, clips and pins to hold the covering in place should be plain and undecorated.

The full uniform policy can be found on our school website.

Positive Discipline for Learning

Our key aim is to create a positive and happy ethos and culture where our students behave well, have good manners, develop age appropriate self-discipline, engage positively with their learning and show integrity in their words and actions. We want all young people to value their education, and be safe, responsible and respectful to everyone in our shared community.

To achieve this, we focus on:

1. Building positive relationships between students, parents/carers and staff.
2. Promoting harmony in every interaction and, where our young people fall below our high expectations, using this to provide a positive educational experience
3. Focusing positive framing and using praise as a vehicle to recognise and encourage integrity, politeness and kindness.

We use the visual representation of the OGAT Pyramid to illustrate how during their time with us, our students can strive to be at the top of the pyramid. This supports them to develop their positive citizenship. We want our students to do this not only because they have to, but because they want to, to develop their maturity to do the right thing. We celebrate and recognise the many occasions each week where students reach the “top of the pyramid” conducting themselves with integrity and maturity. We want all of our students to reach high and aim for the top of the pyramid.

Roles and Responsibilities

All staff will:

- Expect the highest standards of behaviour and good manners from students.
- Teach and model to students how to be safe, be respectful and be responsible in the same way that a good parent would do so.
- Work to be an expert in classroom management.
- Rehearse strategies for dealing with low level disruption so that we become skilled in de-escalating conflict.
- Speak to students respectfully, calmly and always be prepared to listen.
- Praise, reward and celebrate students consistently for their achievements.
- Challenge misbehaviour from students consistently and apply the academy rules.
- Engage with students to restore relationships wherever needed.
- Avoid stereotyped or preconceived judgements about students.
- Celebrate cultural diversity within our community.
- Communicate regularly with parents/carers and update them on areas of celebration and concern.

All students will:

- Behave safely, responsibly and respectfully showing consideration for themselves and others both in and outside school.
- Commit to developing your maturity and good citizenship to be top of the pyramid.
- Follow academy rules, comply with academy procedures and understand why we have them.
- Work positively with all adults and each other.

- Have pride in yourself, your work and your school.
- Wear your academy uniform and wear it properly at all times.

All parents will:

- Work with the academy to encourage safety, responsibility, respect, and good behaviour from their children.
- Inform the academy of any information which may affect their child's ability to thrive and behave appropriately.
- Support the academy's policy on rewards and sanctions.
- Attend meetings with staff to discuss their child.
- Acknowledge that their child may make mistakes and trust that the academy like them wants the best for their child.
- Engage in support mechanisms to help their child develop their behaviour.
- Ensure that their child arrives at school wearing the correct uniform and wearing it properly.
- Ensure that their child is fully equipped to learn with the correct stationery and PE kit when needed.
- Regularly check their child's planner and the OGAT parent portal (once available).
- Use the Praising Stars report that you receive for your child to discuss their effort in each of their subjects.
- Ensure their communication with the school and its staff models the polite respectful approach we promote in school for their children

S.T.E.P.S

We expect all members of the academy community to be respectful at all times. Learning and exhibiting good manners is an essential part of growing up and will help our students in all of their future endeavours. We expect students to speak politely and respectfully to adults and to their peers. We expect students to be respectful of the hard work that goes into creating a great learning environment for them to study in by ensuring they do not litter, graffiti or cause any damage to academy property. We encourage all students to be respectful of our uniform expectations and to wear their uniform correctly at all times.

Rudeness towards adults will not be tolerated and students should expect that any rudeness is addressed providing a learning and development opportunity to be top of the pyramid. Students are expected not just to comply with academy rules, but to comply with politeness and respect. Our rules and expectations build our students' good citizenship and personal development to be top of the pyramid.

Outwood Basics for Learning

As part of learning to be a responsible citizen of the future, we expect our students to take responsibility and show self-discipline and good self-organisation. This includes being on time to the Academy and to lessons, completing homework, preparing at home for assessments and coming to school fully equipped to learn with a school bag, planner, pencil case and basic stationery items. To support this, most academies provide stationery items for students to purchase at a small cost. Planners are an important part of everyday learning and organisation. They have sections each week for “to do” lists which help students to learn the key skills of organisation and prioritisation and contain useful resources for their lessons.

There is an expectation that students demonstrate their maturity and ability to take responsibility for the consequences of their own actions and understand how their actions might affect others in our academy community. We encourage parents to recognise that their child may get things wrong and to not make excuses for or condone their poor behaviour.

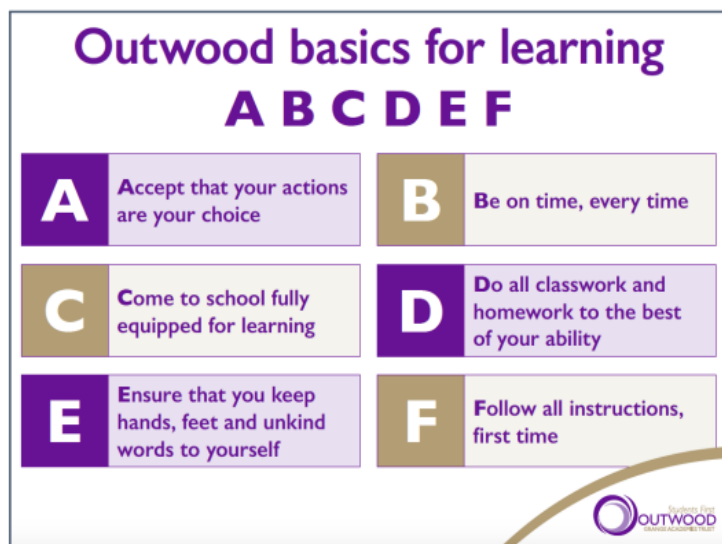

Another letter will be sent to parents and carers in the Autumn term explaining the full consequence system in detail. In the meantime, the full Positive Discipline for Learning Policy can be found on the academy website.

Empowering Routines

There is a great deal of evidence that students thrive and learn well in an environment where routines for learning and conduct are an embedded part of the culture. To this end, academies will have routines for the following:

- Entering lessons and starting learning promptly
- Dismissal from lessons
- Signalling for teacher attention (including ensuring that students sit up straight and track the teacher)
- Tutor time
- Assembly expectations
- Break and Lunch time routines
- Fire evacuation and assembly routines

These routines empower learning and support safe movement of large numbers of students. They remove the cognitive load from students having to remember the different routines and expectations of the many specialist staff whose lessons they visit daily. They also support many of our SEND students who may need routine and structure. As such, our staff regularly practice, rehearse and refine these routines.

At Outwood Academy Portland we are introducing 'morning meet and greets' as students enter the academy. Please see important information below:

All students will benefit from a strong start to the day, ensuring they are calm and ready for learning. Students will be greeted in the morning by their teacher, they will have their uniform and equipment checked to ensure there is no learning time lost during lessons. At Outwood Academy Portland, our morning routine ensures students can be greeted by a friendly face, and walked to lessons in a calm manner.

- Students are reminded of our vision and values every morning
- Students start the day inspired by strong leaders/teachers
- Students are greeted with positivity, which puts them in the right frame of mind to start their day
- Students are informed of any key messages about their day - they all get the same message
- Students have their uniform and equipment checked
- Students are walked to their lesson, ensuring all students arrive on time and no learning time is lost
- Corridors are calm and quiet
- Lessons start promptly
- Department teams are able to create a sense of community with their students before Period 1

Each morning, students will hear the morning meet and greet bell at 8.15am. They will be reminded to walk quickly and quietly to their morning meet and greet 'zone'. Students will be greeted by their Period 1 teacher who will be standing at the front of their subject 'zone'. Students will get into a single file line quickly, in front of their teacher and ensure that their planner and pencil case is out of their bags and that they are holding them. This is a good time for students to take off their coats if the weather is appropriate.

At 8.20am morning briefing will begin. They will be greeted by their Period 1 head of department. Students will be inspired by their subject lead, by listening to a short morning briefing.

At 8.25am students will be dismissed to learning by their Period 1 head of department. Period 1 teachers will walk their students to their lesson in a calm manner.
